

THE OFFICAL
GIRLS ONLY
SUMMER SOCCER CAMP OF
M.O.T SOCCER CLUB

TEAM CAMPS / HIGH SCHOOL

The success of your team's fall season will be built around how you and your team prepare during the pre-season. By using a Team Dynamics coach to conduct your camp, your team will receive the best possible preparation.

Team managers can choose the areas that they would like the coach to concentrate on. A telephone call to a Team Dynamics coach prior to the team camps start date will ensure a specialized training session. Your Team Dynamics coach will work closely with you to ensure that the summer team camp is specialized to the individual needs of your team.

We at Team Dynamics are confident that the quality of this team camp will meet and exceed players and coaches expectations! **Special M.O.T Soccer club 3 Night Rate of just \$90**

RISING STARS

Rising stars is a unique day camp that allows travel soccer players ages **7 to 13** to train just like the professional teams.

Rising stars is inspired by the youth development academies used by European soccer clubs such as Liverpool, Barcelona, AC Milan and Manchester United. Players will be treated just like the pro's and be grouped on arrival into teams for the week based on their age and ability.

During the week, players will enjoy various soccer activities used by professional clubs including speed and agility training and small sided sessions! They will have scrimmages that are under the guidance of our professional coaches, ensuring that players understand the tactics of soccer.

Players will also perform daily skills challenges and complete a personal progress report for the week. While this camp is for the serious soccer player, the emphasis is on learning in an enjoyable environment that promotes self confidence. **\$125**

WEE PEOPLE

Often imitated, never duplicated; our Wee People's Camp is soccer in a fun filled environment for boys and girls ages **4 to 6**.

This camp is a great way to introduce young children to soccer in a short camp format of enjoyable games. This popular program involves soccer-based activities, promotes motor skill development, aids group interaction and is an excellent form of exercise. The emphasis is on FUN, FUN and FUN! **\$75**
